## Short Biography:

Age: 24

Music Workaholic

I play: Piano, guitar (acoustic / E), banjo, bass-guitar, and vocal

Styles: Everything is fun and goes off:

Rock / Pop, Swing / Jazz, Country, Ballads, soundtracks and everything in between, before and after ...

*Music is boundless, multifaceted, and lets me be creative ...*

I live and work in Chemnitz in Saxony.

My musical career included many years of keyboard and piano lessons with a very extensive theoretical training in the specialized directions rock and jazz.

For some years I also play guitar.

The musical stops before my current band SRP were - irony and Schattenwolf.

I play electric guitar and piano, I'm responsible for arrangements.

For Peter Norbert Wulfenberg / Schattenwolf, I have arranged and produced his CD "Sieben Sünden" in 2007.

I like hard guitar sounds, swing / jazz, classic rock, classical elements and the soft tones of ballads and songwriter.

Since 2008 I work together with the lyricist **Guido Morsblech** and **Letizia**.

End of 2008, I met the American **Kate Northrop**. She writes primarily English (American English) and translate German lyrics into American English.

In 2009 I started with production of composition and instrumental music for movie / advertising for **MARTY TONE** (Switzerland).

Furthermore, since 2009 I am glad to count Carlos Wolf to my colleagues. He writes satirical texts e.g. cabaret for programs and English lyrics.
